## REASONS FOR ALLOWANCE

The following is an examiner's statement of reasons for allowance: Claim 1 with ,added material on lines 14-16, related to "common plane",etc defines patentably over Niitsu , the main reference applied , which does not disclose or suggest such feature . This subject matter is also seen to be of advantage in that it provides reliable support for the contact on each side of the housing while allowing the contact to be firmly secured in the housing.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication should be directed to Neil Abrams at telephone number 571-272-2089.
